

# St. Williams Conservation Reserve Chronicles

## April Edition

Good morning Friends!

Spring has sprung, and we have lots to look forward to.  
See below for a quick list of activities happening soon

### TRAILS ARE OPEN

Vegetation Management at the  
Zavitz Nursery Tract in St. Williams has  
wrapped up.

The parking lot on Hwy 24 and all trails  
are open!

## SPRING TRASH BASH

**Saturday 12 April 2025 from 1pm-4pm**

### **Zavitz Nursery Tract:**

meet at 1665 Concession 6, St Williams

### **White Turkey Point Tract:**

meet at 849 Charlottesville Rd, Turkey Point

We will supply all garbage bags and limit number of garbage pickers.

Please wear high visibility clothing and gloves.  
We will have some to loan

[Email Joelle for more details](#)

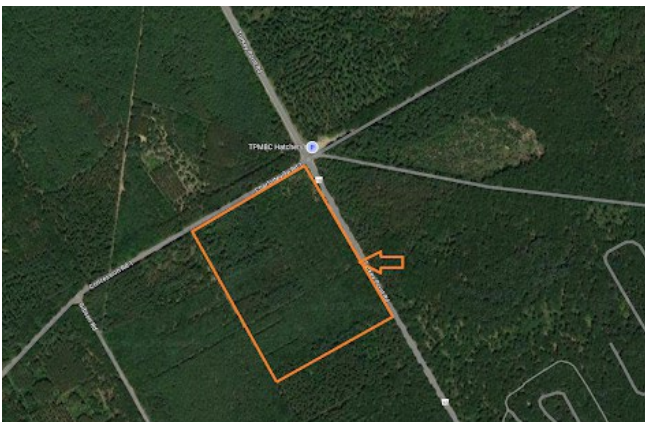

## Prescribed Burns

Between 15 April and 1 May

Prescribed burns may take place at both tracts.

## Weeding

**Wednesday 16 April 2025**

9:30 am - 10:30 am

and

**Saturday 3 May 2025**

9:30 am - 10:30 am

Meet at the Steppingstone Seed Orchard, entrance is on Turkey Point Road, approx 250m south of Charlottesville Rd 1.

**Target:** raspberry (wear thick gloves to avoid thorns)

*This will be a regular event throughout the growing season.*

## Spring Wild Turkey Hunt Season

**Friday 25 April through Saturday 31 May 2025**

Be aware that hunting throughout the St. Williams Conservation Reserve is regulated under provincial and federal legislation and is permitted according to provincial and federal policy and legislation.

During the Wild Turkey Hunt, we discourage using the trails at dusk and dawn to avoid conflicts with hunting.

Always wear bright colors and be aware of your surroundings.

## Clean-up After Burns

Friday 9 May 2025

Cutting and removing pines from burn areas. Location TBD.
