July Edition

Hello Friends, and Happy Summer!

See below for an update of what's been happening, and what's coming up at the SWCR

June Recap

Steppingstone Weeding

Thanks to everyone who took time to pull thorny brambles from the Steppingstone Seed Orchard last month. Every little bit helps!

Upcoming and Ongoing Activities

POSTPONED!

Due to evidence of breeding birds, we will look to resume maintenance at Steppingstone Seed Orchard in September.

Monarch Monitoring

Saturday 26 July 2025

9am - 11am

Join us for a **fun and educational morning** as we learn how to ID monarchs at all life stages, and stroll through the **Manestar Tract** (1744 Concession 6 St Williams) while we count eggs, caterpillars, and butterflies.

This event is suitable for ALL AGES!
